## Market Review

The FBM EMAS Shariah Index fell 2.8% in February to close at 11,412 due to disappointing 4Q earnings season. Sentiment was dampened by trade war fears after US President Donald Trump announced his decision to proceed with the 25% tariffs on all imports from Mexico and Canada and additional 10% tariffs on Chinese imports. Plantation was the best performing sector, gaining 3.6%, while Technology was the worst performing sector, losing 13.1% during the month.
